

**PAIRS WELL WITH:** LH 5949 SS & LH 6149 SS

## POSITIONING & MANAGEMENT

LH 6069 SS is the SmartStax version of our popular LH 5965 VT2 PRO. This medium-tall hybrid with semi-flex ears brings strong yield potential across a wide range of environments. It moves north or south out of zone and can handle a wide range of planting populations. This is an excellent hybrid under irrigation. It also handles more variable soils. It carries very good tolerance to Goss's Wilt, Eye Spot, as well as both Northern and Southern Leaf Blights.
